

**Job Title:** Parent Education Program Coordinator  
**FLSA Status:** Full Time, Exempt  
**Reports to:** Director of Operations

The Center for African American Health is a community-based nonprofit organization dedicated to improving the health and well-being of African Americans. The Center works toward health equity for the underserved African American community by offering culturally competent health education and outreach that empowers community members to overcome the root causes of health problems, maximize their own individual health and access health and support services.

As a new Family Resource Center, The Center for African American Health is building upon existing partnerships and creating new collaborations to begin to address the needs of children, youth and families. We are looking for detail-oriented and organized team members who excel in fast-paced nonprofit environments, are interested in working to promote community health through inquiry, innovation and impact and in joining a well-respected, high-impact organization with a rich history of community service.

Under the supervision of the CEO & Executive Director and Director of Operations the Parent Education Program Coordinator is responsible for sustaining high-quality early childhood programs that support the healthy development of children and families, support basic human resource needs navigation, and community engagement.

#### **Primary Roles and Responsibilities**

- Plan and implement the Strengthening Families Program curriculum for children birth to age five
- Partner with families to make progress on families' goals and work to strengthen the families' connections to social services and supportive relationships with the local community
- Provide safe, accessible resource support for families to connect with comprehensive, coordinated services that help them strengthen their families and become more self-reliant
- Deliver evidence-based, culturally responsive programming, and child-enrichment activities, in accordance with best practice in early childhood development; incorporating CAAH mission, values, and core program elements, with respect for community assets and family needs
- Maintain positive relationships with parents through consistent contact and more formal opportunities for parent involvement and develop, organize and implement opportunities for parent involvement
- Participates in community boards, councils, advisory groups, representing the organization
- Ensures absolute confidentiality with respect to information records concerning families and children
- Submits accurate, prompt reports as requested by Director of Operations
- Monitor and evaluate programs, including efficient and accurate management of participant data

- Create referral linkages with providers, community organizations and targeted providers to implement community resources, health and wellness events and/or educational programs that address barriers to care, resources and enhance stakeholder knowledge, and ultimately impact healthier individual and family outcomes
- Collaborate with internal departments and outside agencies to obtain data that is pertinent to the overall success of health education/promotion programs and community resources
- Assists in addressing members barriers to care, resources, and encourage/foster relationships with their providers and agencies
- Document activities and record information, such as the number of participants attending and completing programs, presentations conducted, and persons assisted
- Design and conduct program evaluations to assess the quality and performance of community navigation resources and program partner efficacy
- Balance conflicting priorities in order to manage workflow, ensure the completion of essential projects, reports and meet critical deadlines

### **Requirements/Qualifications**

- Bachelor's degree in Early Childhood Education, Child Development, or related field (with Strengthening Families Training Facilitation or Parent Education Training background)
- Master's degree preferred
- Strong assessment and engagement skills with children and families
- Ability to develop and implement child and family-based program activities
- Ability to maintain accurate and confidential client/service information and prepare internal and external reports as required
- Excellent communication, organizational and time management skills
- Ability to work both autonomously and collaboratively with a team in a fast-paced environment
- Initiative and capacity to respond effectively in stressful/crisis situations and multi-task
- Experience with community networking and resource building
- Willingness to be flexible with work schedule/some evenings and weekends required
- Excellent public speaking and presentation skills
- Strong writing skills, and ability to convey information in a clear, and concise manner
- Demonstrated leadership experience working with families, coordinating events, and leading groups
- Demonstrated ability to work with persons and groups of diverse racial, ethnic, and economic backgrounds.
- Ability to connect with diverse communities and forge strong relationships
- Strong computer skills, familiarity with Microsoft Office 2016, Word, Excel, Outlook, PowerPoint,
- Demonstrated ability to organize, set and implement priorities, manage multiple tasks with attention to detail
- Ability to analyze problems and find solutions which support and enable sound decision-making
- Ability to perform several tasks concurrently, time management and organizational skills
- Ability to organize and maintain detailed records; complete necessary paperwork, reports and meet deadlines
- Personal qualities of integrity, credibility, and dedication to the mission of The Center

### **Salary Range**

\$40,000 - \$45,000
